

RECOLLECTIONS AT 10 YEARS: 1980 starts my 11th year collecting old radio programs. I'd like to share 10 years of thoughts with you. First, who am I? I am 45, divorced, have 3 children: Jeff, 19; Robin, 16; and Craig, 15. I teach piano and play professionally in bands... Now the hobby..In early January, 1970, I acquired about 100 radio programs on 4 2400' reels. Armed with these shows, a primitive catalog, one primitive and one new tape recorder and little knowledge of trading, I invaded the world of experienced collectors. My first trading friends were very patient and very helpful in making suggestions to improve my dubbing. I soon replaced my old recorder with a second new one. Since then I have replaced both of them, still using just two recorders. I got to know Jack Miller, Mel Shlank, James O'Neal, Dave Davies and George Blacker, all local traders, from whom I acquired many discs of shows that were uncirculated at that time. I also met and traded with Ed Corcoran, Don Brush and Ernie Hack, all state residents then...Because of these early contacts I had many programs people wanted. I tried to be prompt in answering letters, requesting programs and filling requests. I constantly put out supplements. Charlie Ingersoll, former head of the Radio Historical Society was very helpful and encouraging. I also tend to be organized. This, plus a little more time than some, helped me accumulate programs faster than most traders. In the first year I had over 3000 shows. My trading has now slowed down to a crawl because I am looking for certain programs and they are becoming harder to find. I now have about 5900 shows including about 760 SUSPENSE, 175 ESCAPE, 305 JACK BENNY, all Dimension X and X-1 titles, over 160 different bands, over 200 Columbia and CBS RADIO WORKSHOP, 220 GUNSMOKE, 95 INNER SANCTUM.

Friends still with me from 1970 and early 1971 are: Raleigh Barker, Bill Blalock, Burt Brown, Frank Belcour, Howard Brenner, John Dunning, Bob Ellsworth, Gary Dudash, John Furman, Dick Foss, Ken Gackler, Roger Hill, Dick Hayes, Don Koehneman, Roger Kelting, Jim Lane, Len Lawson, Lynn Lichty, Steve Lewis, Fred MacFadden, Evan MacBride, Cort Parent, Ellen Robinson, Bruce Ruggles, Francis Ramczyk, Pat McCoy, Bill Smerkanicz, Mel Simons, Ray Stanich, Dave Siegel, Al Vesik, Stu Weiss, Carol & Bob Witte...Helpful in supplying logs and newsletters and information, especially in my early years are Barry Brooks, Ray Stanich, Charlie Ingersoll, Randy Eidemiller, Fred Dickey, Meade Frierson, Graige Snader, Roger Hill, Allen Rockford, Chris Sterling, Joe Webb, Jerry Chapman, Phil Cole, Bob Burnham...Personalities who were helpful in my early days were Hal Peary, Parker Fennelly, Jackson Beck, Evie Juster, Raymond Edward Johnson, Mandel Kramer, Mary Jane Higby, Peg L. Inch...The trouble with listing names is that some have probably been left out, but not intentionally. 40 personalities get Hello Again with no charge.

My supplements and newsletter developed gradually. My monthly supplements starting in February, 1970 had comments in them. My June supplement had 480 listings and HELLO AGAIN, in honor of Jack Benny, made its appearance. Its purpose was and still is to exchange ideas about collecting and trading and to tell you all about you all and the world of old-time radio. Subscription started at \$1.00 and has been \$6.00 a year since 1976. Several logs and listings have been made available. 9 Old-Time Radio Conventions have been successfully held in the New Haven area. The last 4 were sponsored by the Friends of Old-time Radio and co-chaired by Joe Webb and myself. There are many active clubs and publications, all contributing to the preservation and promotion of vintage radio. 10 years have now passed and I know that my life is richer because of the shows and my new friends. I hope I will continue to bring Hello Again to you for another 10 years. Thank you all for your support and encouragement.
